The **province of Castellón** has great potential for specialising in cycle tourism. The province has hundreds of kilometres of cycling roads, paths and trails that allow you to discover beautiful municipalities crossing through natural landscapes that provide an excellent training ground and place to have fun, as well as for the practice of slow cycling.

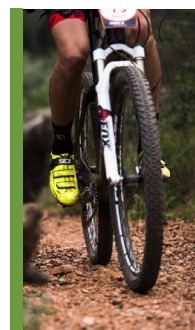

CYCLING PARADISE

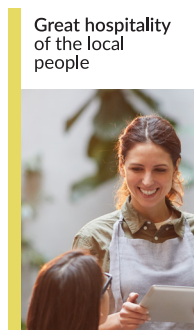

Great scenic, historical, cultural and culinary wealth

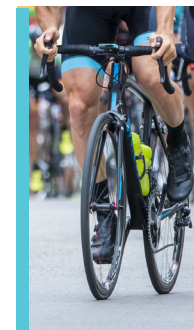

Spaces adapted for the safe practice of MTB and Enduro

Low traffic density and perfect condition of roads and cycle paths

Great hospitality of the local people

A long history of cycling and an exceptional venue for major cycling events such as La Vuelta

SERVICES FOR CYCLISTS

Accommodation perfectly equipped for the cycling community and audited by external companies.

Adaptation of the establishments to the needs of cycle tourists: safe storage of bikes, repair area, bike washing area, clothes washing area, electricity and water connections for team vehicles and adaptation of meal times, sports masseurs, local cycling guides, etc.

Local travel agents - DMCs specialised in cycling and cycle tourism that offer comprehensive end-to-end services for the cyclist.

Perfectly designed routes for all levels of ability and available for GPS download.

Top level cycle-tourism events, Mediterranean Epic Race, Gegant de Pedra, etc., races in the federative calendar - Volta a Castello Elite U23, and races in the UCI calendar, Volta Comunitat Valenciana, Vuelta a España as well as a multitude of social races, criteriums or memorials.
